JUL 1977

NOTES FROM DISCUSSIONS ON 7 JULY 1977

1. We need to do a thorough inventory of the shortcomings in Soviet economics and technological matters. What help do they most want and need from the West?

a. What portions of this can be given without endangering our military security?

(1) What is our evaluation of t[redacted] and the kinds of uses it would be put to if delivered to the Soviet Union? 25X1

25X1

2. Photographs of [redacted] were delivered last night or this morning.

3. Need a study of Eastern Europe.

a. How independent are these countries from the Soviet Union? How dominated are the people by the governments themselves?

b. What has been the status of the exodus of East Germans, Poles and others as a result of the CSCE moves on human rights; as a result of the Carter Administration moves on human rights?

4. Topics covered:

a. Briefing by Brig. Gen. Shields on [redacted] 25X1

25X1 [redacted] capabilities and limitations.

b. Soviet satellite coverage of the U.S.

c. New acquisition method used in December ASAT test.

All three of these were well received and very useful. Comments were made about the intensity of the Soviet effort on the anti-satellite area in recent months.

d. West Bank -- considerable interest. [redacted] 25X1 25X1

[redacted]

e. Poland -- stimulated a very useful conversation on Eastern Europe in general; specific tasking will come forward.

25X1

f. Discussed [redacted] case.

g. Advised of 60 Minutes.

h. Discussed future of Yugoslavia and impact of overall human rights approach of the U.S. in Eastern Europe to the future of the Yugoslavian situation. Pointed out the reluctance of the Yugoslavs to admit that they will be in a fragile situation on Tito's death.
